

# EARTH PRAYER

O Endless Creator, Force of Life, Seat of the Unconscious,  
Dharma, Atman, Ra, Qalb, Dear Center of our Love,  
Christlight, Yaweh, Allah, Mawu,  
Mother of the Universe...

Let us, when swimming with the stream,  
become the stream...

Let us, when moving with the music,  
become the music...

Let us, when rocking the wounded,  
become the suffering...

Let us live deep enough  
till there is only one direction...  
and slow enough till there is only  
the beginning of time...  
and loud enough in our hearts  
till there is no need to speak...

Let us live for the grace beneath all we want,  
let us see it in everything and everyone,  
till we admit to the mystery  
that when I look deep enough into you,  
I find me, and when you dare to hear my fear  
in the recess of your heart, you recognize it  
as your secret which you thought  
no one else knew...

O let us embrace  
that unexpected moment of unity  
as the atom of God...  
Let us have the courage  
to hold each other when we break  
and worship what unfolds...

O nameless spirit that is not done with us,  
let us love without a net  
beyond the fear of death  
until the speck of peace  
we guard so well  
becomes the world...
