

# *The Great Invocation*

From the point of Light  
within the Mind of Creation  
Let light stream forth into  
the minds of All.  
Let Light descend on Earth.

From the point of Love  
with the Heart of Creation  
Let Love stream forth into  
the hearts of All.  
May Peace return to Earth.

From the centre where the  
Will of Creation is known  
Let purpose guide the  
wills of All.  
The purpose of which we  
are remembering.

From the centre which we  
call the race of human  
Let the Plan of Love  
and Light work out.  
May it seal the door  
where fear dwells.

Let Light and Love  
and Power restore  
the Plan on Earth.
